**Prices:** *One year's registration for free*, because we are just getting started! *This price will go up!* As you can tell, listing homes for free will not even pay for the Internet costs. Therefore, as our database grows, eventually the price must rise to US \$56.00. You, however, can still continue listing for free if you get your friends to list their homes with us also!

**Additional free listing:** You will get 6 months free listing for every friend from Utah you refer who lists with us. If the friend's home is outside the state of Utah, you will get 1 year for free. The easiest way is to send them to our website, or make copies of this form and give it to your friends. Get them to list now, before the price goes up!

**Submit a photo of your home:** This is optional, but highly recommended! The photo will appear on the website beside the description of your home. There are 3 ways to submit it:

1. Include a photo in the envelope with your registration form. If you want the photo back, also include a self-addressed stamped envelope. Please write your name and address on the back of the photo.
2. E-mail us a digital photo to the above e-mail address. Include your name and address in the body of the e-mail, and attach the photo.
3. As soon as your listing appears on our website, you may add a photo on line. Just go to [Uthomex.com](http://Uthomex.com) and then click on "Edit Your Listing."

**10. What type of exchange are you offering? (Check all that apply)**

- Simultaneous exchange. This is the most common type of exchange.  
You stay in their house at the same time as they stay in yours.
- Non-simultaneous exchange. You trade at different times. This can work if you are vacationing someplace else, or are exchanging a second home. It may open up the dates more.
- Hospitality exchange. You host them in your home, then later they host you in their house; sort of like bed and breakfast in each other's homes. You see them as much or as little as you wish.
- LDS Conference Visits Hospitality Exchange. During the first week in April, or the first week in October, the Utah family hosts guests. At another time, they go stay with their guests.
- Long term exchange. For example: two months, one school year, open to offers

**11. Description of your home.** Tell more detail about your home or yourselves, such as, "*State of the art surround sound system.*" Be accurate, but let them know why your home would be a great exchange possibility.

**12. Description of your area.** Tell potential exchangers why they would want to come to your area. Include nearby attractions, such as "*near beaches*" or "*one hour to Grand Canyon.*"

**14. Special conditions of exchange** Check all that apply:

- No small children
- No pets allowed
- Non smokers only\*
- Children welcome
- Pets welcome
- Other \_\_\_\_\_
- Pet care offered/requested

\* Because of health concerns and religious convictions of many of our exchangers,  
All our home exchanges are Non-Smoking.

**Now mail this completed form to the address below.** In a few days you will see *your* home listed for exchange on our website.

You'll soon be vacationing for free in your new friend's house!
